Govt considering proposal for new UniKL campus in Kuala Lumpur

KUALA LUMPUR: The government is considering the proposal for the construction of another Universiti Kuala Lumpur (UniKL) campus in the federal capital to support the university's internationalisation mission.

Rural Development Minister Datuk Seri Mahdzir Khalid said the new campus would boost UniKL's role as an instrument of national economic growth.

"It is also to attract more international students to Malaysia,"

he said at UniKL's 17th and 18th convocation.

Mahdzir, who is also UniKL pro-chancellor, said the government would continue to help with the development of Technical and Vocational Education and Training,

including opening new campuses in Perlis and Pahang.

A total of 10,547 graduates of UniKL will receive their scrolls at the convocation ceremony being held in 13 sessions, from yesterday until Aug 17. - Bernama
