Abstract

[No abstract available]

Topic: [Mother](#) | [Pregnancies](#) | [COVID-19](#)

Prominence percentile: 99.961

Author keywords

[COVID-19](#) [mother to child](#) [pregnant women](#) [SARS-CoV-2](#) [vertical transmission](#)

Indexed keywords

EMTREE drug terms:

[angiotensin converting enzyme 2](#) [C reactive protein](#) [D dimer](#) [immunoglobulin A](#) [immunoglobulin G](#)
[immunoglobulin M](#) [interleukin 6](#)

EMTREE medical terms:

[adult respiratory distress syndrome](#) [amnion fluid](#) [Article](#) [asphyxia](#) [B lymphocyte](#) [disease severity](#)
[epithelium cell](#) [follow up](#) [human](#) [immunocompetent cell](#) [inflammation](#) [intensive care unit](#)
[Middle East respiratory syndrome coronavirus](#) [neonatal respiratory distress syndrome](#) [pneumonia](#) [pregnant woman](#)
[reverse transcription polymerase chain reaction](#) [severe acute respiratory syndrome](#)
[Severe acute respiratory syndrome coronavirus 2](#) [syncytiotrophoblast cell](#) [T lymphocyte](#) [virus replication](#)
[virus transmission](#) [World Health Organization](#) [female](#) [pregnancy](#) [pregnancy complication](#) [pregnant woman](#)
[vertical transmission](#)

MeSH:

[COVID-19](#) [Female](#) [Humans](#) [Infectious Disease Transmission, Vertical](#) [Pregnancy](#)
[Pregnancy Complications, Infectious](#) [Pregnant Women](#) [SARS-CoV-2](#)

Chemicals and CAS Registry Numbers:

C reactive protein, 9007-41-4; immunoglobulin G, 97794-27-9; immunoglobulin M, 9007-85-6

Funding details

Funding sponsor	Funding number	Acronym
	P30 AI050409	
National Institutes of Health See opportunities by NIH	P30 RR00165, P51OD011132	NIH
National Center for Research Resources		NCRR
Center for AIDS Research, University of Washington		CFAR

Funding text #1

This study contributed to a senior research capstone project for the Center of Advanced Studies in Math, Science, and Technology at Wheeler High School.

Funding text #2

VV was supported by CFAR R03 (to VV), Emory University CFAR grant P30 AI050409 and NCRR/NIH base grants P30 RR00165, P51OD011132 (to Y.N.P.R.C.).
