

Enriching technical studies

UNIVERSITI Kuala Lumpur (UniKL) is Malaysia's leading technical and entrepreneurial university, formed as part of the education group under Majlis Amanah Rakyat (MARA). It was formed via the amalgamation of seven MARA skills institutions on Aug 20, 2002, and has since experienced rapid expansion as one of the universities of choice in Malaysia.

UniKL's primary aim is to provide an enriching graduate and postgraduate learning environment that fulfils the academic and intellectual potential of its students. The university advocates a culture that strives for high education standards in the Higher Technical and Vocational Education and Training (HTVET) delivery system, emphasising hands-on technical skills and knowledge development.

With the concept of "One Institute, One Specialisation", UniKL has 12 campuses strategically located all over peninsular Malaysia with its chancellery situated in the heart of Kuala Lumpur. Its diversity in specialisation enables the optimisation of resources, enhances teaching and learning activities and boosts profound research activities.

Below are UniKL's 12 campuses and their areas of specialisation:

- 1) Universiti Kuala Lumpur Kampus Cawangan Malaysia France Institute (UniKL-MFI): Mechanical, Robotics, Welding, Air Conditioning and Automotive
