

Towards expanding your career

THE Universiti Kuala Lumpur Branch Campus Malaysian Institute of Marine Engineering Technology (UniKL-MIMET) was established in 2004 in collaboration between MARA and the Australian Government represented by International Training Australia (ITA).

It offers a number of industry-specific programmes aimed at producing competent personnel for the marine and maritime industry.

Academic courses include ship design, ship construction and boatbuilding, among others, which uniquely integrates theoretical teaching with practical application.

UniKL-MIMET is located at Lumut, a coastal town of Manjung, Perak. It is about 84km from the capital city of Ipoh and is the gateway to Pangkor Island.

Once a little known fishing town, it has since become the home base of the Royal Malaysian Navy and the site of the biggest naval shipyard in Malaysia, Boustead Naval Shipyard.

UniKL-MIMET is committed towards providing an environment conducive for learning which encourages the development of technical competence, creativity and skills among students.

Students who graduate from UniKL-MIMET will have the opportunity to expand their career in various fields such as boatbuilding, shipbuilding, welding and fabrication (ferrous / non-ferrous), ship / project planning, naval architecture, technical design / draught person, cam programming,

UniKL-MIMET graduates will have the opportunity to expand their career in various fields.

ship maintenance, hydraulic and pneumatics, cnc machining, steel and aluminium fabrication, woodworking, fibreglass and others.

Currently UniKL-MIMET offers four diploma programmes (Ship Design, Ship Construction and Maintenance, Electrical and Electronics (Marine) and Marine Engineering), four bachelor's degree programmes (Marine Engineering, Naval Architecture and Shipbuilding, Marine Electrical and Electronics and Maritime Operations) and Master of Maritime Operations and Management.
